

"When it needs to be glass"

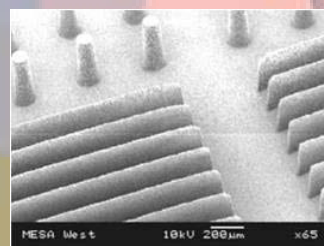

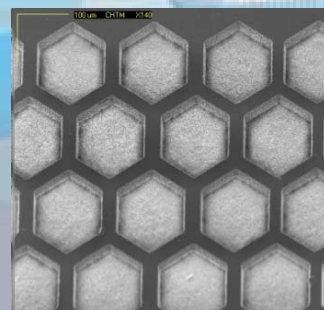

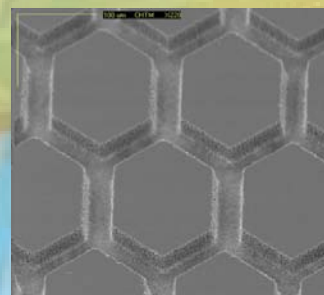

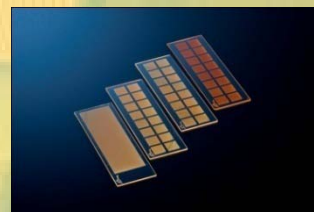

## **Custom Glass Micro-Devices for OEM's Design - Prototype - Production**

**Fabricated with APEX™ Glass**

### **Applications**

- Bio-Arrays / Micro-Arrays**
- Multiplexed Bio-Assay Systems**
- Microfluidics**
- IC and MEMS Packaging**
- Optics – Wave Guides**
- Micro-Filters**
- Micro-Reactors**
- Micro-Molds**
- In-Vivo; In-Vitro Devices**
- Vias – Through Holes**

**Life  
MicroFab**
